

Summer Youth Employment and Training Program

Mission:

The Department of Community Services is responsible for securing grant funding from the Federal Job Training Partnership Act to assist citizens in overcoming socio-economic barriers to employment. Job Training Services is the administrative entity for such programs in the service delivery area in which York County is located. One such program is the Summer Youth Employment and Training Program. This program has been implemented for the past ten years. This program provides the 16 to 28 qualified youth (from 14-21 years of age) with both classroom and job-site training experience.

Goals:

- To process eligibility for applicants in an accurate and prompt manner.
- To enhance basic education skills of the participants.
- To plan and implement classroom activities and on-the-job training that increases the skills of the participants.
- To encourage participants to return to school in September.

Implementation Strategies for FY2002:

- To increase the number of participants that can attend Summer School with the Summer Youth Employment & Training Program paying the tuition.
- To continue to increase the number of applications in the Vocational Exploration Group because they do not have the opportunities for employment that the Work Experience group has.

Budget Issues:

- Upon notification of the grant award for this program, the FY2002 budget will be amended for the approved funding.
